

The health and wellbeing of our team is something we take seriously, which is why we're proud to offer you access to an Assistance Programme from Health Assured- the UK and Ireland's leading wellbeing provider.

As part of our services, you now have access to Health Assured's brand-new app - Wisdom. Wisdom will replace Health Assured's current My Healthy Advantage App and online portal (healthassuredeap.co.uk).

Download Wisdom Now

Wisdom is available on mobile, tablet, and desktop to ensure continuity throughout. Explore the app or browse on your computer and find out what works for you.

Download today on the Apple App Store or Google Play or access at wisdom.healthassured.org

Once you have opened Wisdom, **use the same organisation code** to access Health Assured's brand-new app.

You will need to create a new account with an email address and password of your choice.
